Under the oversight of the Session and the Board of Deacons, FTPC attenders are encouraged to sign up to be part of a “Service Team”. The Service Teams will rotate Sundays on which they will assist in the worship service. While no experience is necessary it is understood that due to our different gifting we will more easily and effectively work in some areas rather than others. Please check ALL of the areas in which you would be willing to serve, understanding that others on your team can also serve in that area so no one will be obligated to serve in a particular way every time your Service Team is helping. [NOTE: Guidelines and training are available for each area.]

- Usher
- Snack Help
- Prayer Support
- Communion Set Up
