FOR GENERATIONS TO COME

"Let this be recorded for a generation to come, that a people yet to be created may praise the Lord." Psalm 102:18

Sanctity of Human Life Sunday | January 21, 2018

CALLIE'S STORY

"I know I don't have an appointment today, but I was hoping I could have someone pray with me..."

Callie had a history of past abortions during a difficult period of her life, and after choosing life for her baby son and working hard raising him on her own, Care Net was a place she had found not only support, but a safe place to be authentic in her struggles.

As she found herself facing some new challenges, that were trying to pull her back into an old lifestyle, she sought out people she knew she could trust to pray with her and encourage her. How beautiful it is to get to be the hands and feet of Jesus, meeting clients right where they are at and getting to journey with them.

Care Net of Puget Sound has been providing life-affirming support to women and their families for over 35 years.

*The need in our community is great..and so is the need for your support!
Here are some of the ways you can have an impact in 2018.*

- **VOLUNTEER** • Care Net Pregnancy Centers are sustained by the compassion and service of passionate people just like you! Volunteers use their various gifts to serve the ministry each week in a variety of roles. **Visit our website at carenetsps.org/volunteer to complete a volunteer interest form or call Ingrid Crosbie, 253.383.6033.**
- **PRAY** • Prayer is powerful. Behind the scenes, a team of prayer warriors is actively interceding on behalf of the women who are making critical decisions, men who are struggling with the challenges of fatherhood and teens who are hearing the message of sexual integrity. **Apply today to be a prayer partner at carenetsps.org/prayer-partner.**
- **GIVE** • Care Net receives no federal or state funding, and all of our services are provided at no cost to clients. Donations from our generous donors maintain all Care Net programs, helping families choose life for their babies. **Find center needs, an online giving form and other ways to donate at carenetsps.org/donate**
